

The Archives Way

OUR VISION

To be a world leading archive in this digital age.

OUR MISSION

To connect Australians with their identity and history through our stewardship of Australian Government records.

COMMITMENTS

Commit to service excellence

Leadership at all levels

Innovation: embrace the future

Implement our decisions

Work together, succeed together

WE WILL:

- Focus on our clients' needs and expectations
- Deliver our services cost effectively
- Identify service excellence for each role
- Encourage and support all leaders
- Take responsibility to lead the Archives towards our Vision
- Seek out opportunities to lead
- Aim to work in the best way, not just the old way
- Put ideas forward and embrace appropriate risk
- Welcome others' ideas
- Embrace change to enhance our achievements
- Take responsibility to implement decisions
- Deliver results on time and to expectations
- Accept that decisions are made in the best interests of the NAA
- Think and act as 'One Archives'
- Work together across teams
- Take pleasure in everyone's successes
