

## Guides to the collection

The National Archives has two series of guides to assist researchers to find relevant records in our collection. Several of our books also offer advice on finding records.

Twenty-two guides in our *Research Guide* series cover a broad range of topics. These include guides on immigration (British, Chinese, Jewish, child), foreign relations (with Japan, Indonesia, Papua New Guinea), military history (HMAS Sydney, Boer War) and various other topics.

Six guides in the *Archives of Australia's Prime Ministers* series provide short biographies and extensive archival listings on 11 former prime ministers.

You can browse and purchase copies of our research guides from our [online shop](#), or download them for free from the links below. Orders can be placed by phoning (02) 6212 3609 or contacting Publication Sales, PO Box 4924, KINGSTON ACT 2604.
